INFORMATION FOR APPLICANT

If your request for financial assistance is accepted for further consideration, the Administrators of the Relief Fund will request an interview with you to more fully understand the nature of your request.

Where a decision is made by the Administrators to proceed, the appropriate type of financial assistance will be decided by the Administrators i.e. whether assistance in the form of either a 'gift' or a 'loan' would be more appropriate in the particular situation.

There is a general preference that any disbursements from the Relief Fund be paid directly to a nominated third party to whom the applicant is, or is about to become, indebted.

Please mail this form directly to the Administrators of the Relief Fund, c/o Elgin Graham 304 Hurstmere Road, Takapuna 0622 or contact Elgin on email: e_graham@ihug.co.nz.
